RESULTS

Fincorp posted a consolidated profit after tax amounting to Rs 50.3 million for the period ended September 30, 2019 compared to Rs 45.8 million for the corresponding period last year.

Operating profit before taking into consideration the share of profits of associates improved from Rs 7.6 million to Rs 13.0 million in view of the better performance of MCB Leasing Limited (previously Finlease Company Limited) mainly as a result of lower impairment charges and an increase in contribution from operating leases. On the other hand, the contribution of the Company's associates to group profits dropped slightly from Rs 41.3 million to Rs 39.1 million mainly due to the higher financing costs incurred by Caudan as a result of the construction of phase 3 which has yet to reach its cruising speed.
