#### RESULTS

Fincorp posted a consolidated profit after tax of Rs 39.4 million for the period ended December 31, 2020 compared to Rs 52.9 million for the corresponding period last year.

Operating profit before impairment increased from Rs 20.2 million to Rs 42.3 million. This increase is mainly on the back of a fair value gain of Rs 12.7 million recorded by Fincorp on its investment portfolio as well as a drop of Rs 5.2 million in its financial charges in line with the declining interest rate environment. MCB Leasing Limited contributed a further Rs 2.2 million of this increase, reflecting a drop in operating expenses achieved by some cost-cutting measures in the midst of the exceptionally difficult economic context.

Net impairment charges amounted to Rs 6.1 million for the 6 months to December 31, 2020 compared to net recoveries of Rs 5.3 million for the corresponding period last year. MCB Leasing Limited was impacted by additional expected credit losses in line with continued uncertainties in the local economy as a result of the pandemic.

The share of profits of associates dropped from Rs 28.2 million last year to Rs 1.0 million in the current financial year. Caudan's results improved during the reporting period, contributing Rs 8.4 million to group

profits compared to Rs 0.4 million in the corresponding period last year. This improved performance can be attributed primarily to a better performance of the Security Services cluster. On the other hand, PAD's direct investments (excluding Caudan) and associates contributed to a loss of Rs 7.3 million this year compared to a profit of Rs 27.8 million last year due to the significant drop in its investment income.

#### PROSPECTS

The operating context remains challenging, with little visibility on the evolution of the situation going forward, especially in relation to the opening of our borders, the spread of the new variants of the coronavirus and continued lockdowns in many countries despite the progress made with the widening vaccination campaigns. Against this backdrop, we will continue to monitor the situation closely in order to preserve the financial soundness of the group.
